

energybank. Wall Pack LED

Date:	
Type:	
Firm:	
Project:	

Reduce wattage by up to 80%

The energybank LED Wall Pack is a perfect complement to the model T exterior fixture. Using our patent-pending advanced light engine technology and proprietary optics you will get both 100,000 hour life and exceptional illumination.

With its automotive grade exterior finish, it will deliver years of trouble free service.

Light quality and housing color match the model T perfectly.

Fast, easy-to-install design.

energybank. Wall Pack LED

STANDARD SPECIFICATIONS:

		WP60	WP80
spec		details	
electrical	power consumption	60W	80W
	input voltage	120-277V	
	surge suppression	integrated transient voltage protection	
	power supply	hardwire	
	motion	no motion or motion sensor	
general performance	color temperature	5000K	
	CRI	>80	
	lifetime	100,000 hours	
	dimensions (L"xH"xW")	13.531" L 6.764" H 14.666" W	
physical	weight	14.18 lbs	
	housing	galvanneal	
	finish	automotive grade exterior finish colors: Black, Bronze, White, Gray	
	optics	clear glass Type III forward-throw optic	
	mounting	standard wall bracket	
	operating temperature	-40° C to 55° C	
	certification	constructed of FCC & UL listed and/or recognized components dark-sky compliant	
application	environment	built to UL Wet Rated standards	
	warranty	5 year	
DLC	agency reference number	WP60-UNCG-HMxx WP60-UNCG-MRxx	WP80-UNCG-HMxx WP80-UNCG-MRxx

Warranty:
5-year standard limited warranty from OEM on all light engine components.

Designed and manufactured in USA
US patents-pending
