

## **MEET C-CLASS™** COMMERCIAL HVLS FAN

Say hello to a new class of ceiling fans. An energy-efficient solution that combines exceptional style with best-in-class performance to keep your space cool and comfortable. The C-Class commercial fan moves a substantial amount of air, while giving you endless customization options to make it your own.

C-Class—by Entrematic Fans—is designed to provide a sleek and stylish design, various color configurations to complement virtually any environment, a low sound dBA level that’s so quiet it’s like the fan’s not even there, and performance far superior to its competitors. C-Class means wireless control which gives you the ability to mount the control where you want it. With its adaptable and configurable color design options, C-Class is a fan that truly caters to your unique environment.
